INTRODUCTION

Virginia Commonwealth University acknowledges that fraternities and sororities are valuable to the campus community and have a positive impact on the educational and social experience for VCU students. As a department within the Division of Students Affairs, the Office of Fraternity and Sorority Life is committed to cultivating the intellectual, social, and ethical development of our members.

Purpose of the Handbook

The purpose of this handbook is to describe the entire relationship between the University and the Fraternal Organization, including the benefits the Fraternal Organization may receive from the University, if the conditions set forth in this document are met. The FSL Handbook is an educational document intended to guide individual fraternities and sororities in maintaining recognition at the university. It provides a framework of policies, guidelines and regulations that members of the fraternity and sorority life community, their chapters, and volunteers will abide by.

Relationship between the Fraternal Organization and the University

The University is a public corporation and the Fraternal Organization is not part of that corporation, but rather exists and operates independently of the University. The Fraternal Organization and the University acknowledge and agree that the Fraternal Organization is not an agent; servant or employee of the University and neither has authority to act for the other or commit the other to any activity, transaction or agreement. The Fraternal Organization and its members will be held accountable by their respective governing council judicial board and/or the office of Student Conduct and Academic Integrity for matters that might violate council, office or University policy.

Liability, Insurance and Defense Notification

The Fraternal Organization understands and agrees that the University, the Commonwealth of Virginia, and its employees and agents will not be liable for injuries or harm caused to anyone in connection with or arising out of the Fraternal Organization's activities, nor will it be liable for any of the Fraternal Organizations' contracts, torts, or other acts or omissions, or those of the Fraternal Organization's directors, officers, members, advisors, staff, activity participants, or any other persons associated with the Fraternal Organization. The Fraternal Organization understands and agrees that neither it nor its directors, officers, members, advisors, staff, activity participants, or any other persons associated with the Fraternal Organization are protected by the University's or the Commonwealth of Virginia's insurance policies or self-insurance plans, and that the University and the Commonwealth will not provide any legal defense for the Fraternal Organization or such person in the event of any claim against any of them. To ensure that all persons associated with the Fraternal Organization fully understand these terms, the Fraternal Organization President is responsible on their honor to issue this notification to all of the Fraternal Organization's current and prospective directors, officers, members, advisors, staff, activity participants and other persons associated with the Fraternal Organization or engaged in its activities:

NOTICE: You are either considering or currently participating in activities and/or affairs of a fraternal organization at the Virginia Commonwealth University. Although the fraternal organization has members who are University students, and may have University employees associated or engaged in its activities and affairs, the organization is not a part of or an agency of the University. The fraternal organization is a
separate and independent organization which is responsible for and manages its own activities and affairs. The University does not direct, supervise or control the organization and is not responsible for the organization’s contracts, acts or omissions. The fraternal organization directs all of its own activities and affairs, including but not limited to transportation, travel, tournaments, fundraisers, or any other events. These activities or affairs may, at times, involve a certain amount of risk, and the fraternal organization assumes all responsibility for any such risk. All persons associated with the fraternal organization should ascertain whether they have adequate insurance independently or through the fraternal organization to cover any such risk. Neither the University nor the Commonwealth of Virginia provides insurance coverage or legal defense for any claims resulting from the affairs or activities of a fraternal organization.

**Taxes**
The Fraternal Organization shall not use the University’s taxpayer identification number or the University’s tax-exempt status in connection with any purchases or sales by the Fraternal Organization, any gifts to the Fraternal Organization, any interest or other income of the Fraternal Organization, or any other activity or purpose of the Fraternal Organization.

**University Benefits**
Assuming the conditions set forth in this Agreement are met, the Fraternal Organization is eligible to use certain University facilities and access the services and resources in the Office of Fraternity & Sorority Life, Office of Student Organizations and Leadership as well as the department of University Student Commons and Activities, subject to the policies and procedures or terms and conditions that the University and/or Student Council sets for such facilities, services, and resources. The Fraternal Organization is also eligible to access University server space subject to University guidelines and policies.

Organizations who meet and abide by this handbook are eligible to receive the following services from the university:

- Advice and counsel from university student affairs professionals, as well as referrals and resources, in the areas of chapter development and programming, leadership development, personal safety and risk management, alcohol and substance use and abuse, sexual assault and abuse, stress management, eating disorders, etc.
- Additional assistance and counsel may be available in the areas of chapter governance; judicial concerns; interpreting University policies, procedures and regulations; providing information on state and local law as they relate to membership activities (e.g., hazing); educational and social programming; general fiscal matters; emergency preparedness; etc.
- Upon request and consistent with student privacy laws, assistance or administrative support related to maintaining membership records and computing chapter grade point averages.
- The governing councils may develop and maintain a system for adjudicating violations of University policies and procedures under the direction of the University Student Commons and Activities staff responsible for student organization judicial action. All activities and decisions of the fraternity judicial committees shall be subject to review and final authority of the University judicial system for student organizations.

**Enforcement**
Affiliation with a fraternity or sorority comes with an implication of being held to a higher standard. Peer accountability and self-governance are key principles to the development of our members and the success
of the overall community; however, self-governance is a privilege. Failure to uphold expectations and comply with all university rules, including FSL policies, governing council policies, VCU student organization policies, VCU Student Code of Conduct, inter/national organization policies, domestic and international travel policies as well as local, state and federal laws risk jeopardizing this privilege. Chapter charters are franchise licenses and recognition as a university student organization is conditional.

The Fraternal Organization acknowledges that the University may file a complaint alleging that the Chapter or its members violated the commitments made in the Fraternity and Sorority Life Handbook and/or the applicable CPC/IFC/MGC/NPHC Standards of Conduct with CPC/IFC/MGC/NPHC for investigation and enforcement. The Fraternal Organization further acknowledges that the University may file a complaint for investigation and adjudication with an appropriate University hearing body or, in the case of a criminal matter, with local law enforcement.

Term of Agreement
This agreement becomes effective on the date it is executed by an authorized University official and must be renewed annually. The University and the Fraternal Organization each reserve the right to terminate this agreement at will upon written notice. The University also may issue a warning or suspend this agreement with or without conditions for good cause. Absent early termination or suspension, this agreement will automatically terminate in the spring of each year on the date of the University’s Final Exercises.
RECOGNITION AND REGISTRATION

Recognition
For purposes of this handbook, fraternal organizations are those organizations governed by the National Pan-Hellenic Council (NPHC), the Interfraternity Council (IFC), the College PanHellenic Council (CPC), or the Multicultural Greek Council (MGC), which are comprised of University students and offer educational, service and social opportunities to their members.

Registration
Official registration of men’s and women’s fraternities and sororities will be conferred by the University Student Commons & Activities (USC&A) as part of the process of registering all student organizations at Virginia Commonwealth University. All fraternities and sororities must be registered through RamsConnect by the designated date each semester.

Additionally, all fraternities and sororities must place a copy of its inter/national and local governing documents on file with USC&A. These documents will be kept in confidence to the extent permitted by law and are generally subject to mandatory disclosure under the Virginia Freedom of Information Act. Any group whose inter/national organization prohibits filing their constitutive documents may request permission to provide them only for review by university officials at the time of seeking Official Recognition and upon request at any future time. Because records used in the transaction of public business and in the possession of VCU may be subject to disclosure under the Virginia Freedom of Information Act, the RSO should redact any confidential information before submitting documents. The governing documents shall include (if they exist):

- Inter/National Constitution and Bylaws.
- Inter/National Standing Rules and Policies.
- Local chapter Bylaws, Operating Procedures, and Chapter Code of Conduct. Virginia Commonwealth University Special Provisions for Fraternities and Sororities Special Provision for Fraternities and Sororities
- Local Articles of Incorporation (if they exist).

Please note that Title IX does not apply to the membership practices of a social fraternity or social sorority if the active membership consists primarily of students in attendance at an institution of higher education and the fraternity or sorority is exempt from taxation under the Internal Revenue Code. 20 U.S.C. §1681(a)(6)(A); 34 C.F.R. § 106.14(a). All other programs and activities of social fraternities and sororities are governed by Title IX if they receive any Federal financial assistance.

Councils
The Fraternal Organization understands and agrees that, as a condition of this handbook, it shall maintain active membership in the CPC, IFC, MGC, NPHC, and further agrees to abide by the rules and regulations of its applicable governing council.

ACADEMIC POLICY

Academic success is a standard of Virginia Commonwealth University and is an essential element of a fraternity or sorority’s contribution to and support of the University’s mission. Academic excellence is emphasized by all fraternity and sorority chapters. Fraternity and sorority members should consistently achieve higher academically than non-members. The fraternity and sorority experience is designed to provide a community which supports the development and promotion of high academic achievement in a values based setting.

Fraternity and Sorority Academic Policy:
Every fraternity or sorority at VCU will meet or exceed a required 2.7 semester grade point average every semester for both the total chapter performance and the separate new member class performance.

The VCU Fraternity and Sorority Academic Report is produced by the Office of Fraternity and Sorority Life after both the fall and spring semester, and this report will be made available to all chapters and advisors. It will be the responsibility of the chapter to edit the roster appropriately and submit it each semester by the required date. Chapters who do not submit their roster will be listed as having a “0” (zero) GPA and will automatically be put on probation until the roster is turned in.

The Academic Policy will be implemented in addition to the guidelines established by each inter/national organization which specifies minimum grade point average requirement for membership, initiation, holding office, and good standing of a chapter.

Academic Excellence Recognition
The Office of Fraternity and Sorority Life will provide awards and recognition to chapters on an annual basis at the Spring Student Leadership Awards ceremony. The awards are designed to recognize chapters that excel academically and embody the academic mission of the university. Fraternity and Sorority Academic Award recognition will be given in the following areas:

- Highest Chapter GPA (1 Sorority, 1 Fraternity)
- Most Improved GPA (1 Sorority, 1 Fraternity)
- Highest New Member Class GPA (1 Sorority, 1 Fraternity)

More information on the Spring Student Leadership Awards can be found on page 41.

Academic Performance Discipline
Failure to meet the required minimum 2.7 grade point average for the semester by a chapter or a new member class will result in the chapter being placed on some level of Academic Warning/Probation/Suspension.

Academic Warning
Failure to meet the required minimum 2.7 grade point average for the semester by a chapter or a new member class for the first semester will result in the chapter being placed on Academic Warning. The
Chapter will be notified in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Warning, which will include the following:

- The chapter will complete a comprehensive review of their Scholarship Plan by September 1/February 1, depending on the appropriate semester.
- The revised Scholarship Plan must include two study skills/enhancement programs per semester, led by someone outside of the chapter.
- The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and chapter advisor.
- The revised Scholarship Plan must include an academic calendar including events and presentations.
- The revised scholarship plan must include incentives for members.
- The chapter president and scholarship chair will meet with their Fraternity and Sorority Life advisor to review the Scholarship Plan.
- Chapter must have a GPA requirement to hold officer positions.
- Chapter must have GPA requirement to attend social events.
- The Office will inform the inter/national organization as to the Academic Warning status.
- The chapter will only be allowed to host two (2) social events, one of which may include alcohol, and a maximum of three (3) chapter events per week, to include chapter meetings, programs, community service, or required attendance at any other events.
- The chapter president and the scholarship chair must meet once a month to discuss successes and challenges of the new academic plan and inform the Office of any updates.

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board.

**Academic Probation**

Failure to meet the required minimum 2.7 grade point average for the semester by a chapter or a new member class for the second consecutive semester will result in the chapter being placed on Academic Probation. The Office of Fraternity and Sorority Life will notify the chapter in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Probation, which will include the following:

The chapter will complete a comprehensive review of their submitted Scholarship Plan by September 1 OR February 1, depending on the appropriate semester.

- The revised Scholarship Plan must include two study skills/enhancement programs per semester, led by someone outside of the chapter.
- The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and chapter advisor.
- The chapter president and scholarship chair will meet with their Fraternity and Sorority Life advisor to review the Scholarship Plan.
- The Office will inform the inter/national organization as to the Academic Probation status.
- The revised Scholarship Plan should provide an assessment of the two academic success workshops hosted the previous semester and a description of what two scholarship programs will
be implemented during the upcoming semester. The revised Scholarship Plan must be signed by the chapter president, scholarship officer, and the advisor.

- Chapter leadership is encouraged to collaborate with the Campus Learning and Writing Center, their inter/national organization, graduate chapter and/or advisors and the governing council when revising the Scholarship Plan.

- As a result of Academic Probation, the chapter will be placed on social restriction. During the Academic Probation period the chapter may not host or participate in any social events or participate in any of the following: VCU Intramurals, Greek Week, step shows, stroll-offs, Homecoming Tailgate, or banquets. *If unclear of what constitutes a social event, chapter leadership must consult with the Office of Fraternity and Sorority Life.*

- The chapter will submit a chapter calendar of all meetings, events, and programs for approval by the Fraternity and Sorority Life Advisor.

- The President, Scholarship Chair, and Chapter Advisor must meet once a month to discuss the on-going efforts to bring the chapter and/or new member class GPA to the required 2.7 semester grade point average. Any updates must be relayed to the Office of Fraternity and Sorority Life.

- Chapters can present documentation that their chapter is above the 2.7 GPA at the semester mid-term with a request to be removed from Academic Probation. This request must include documentation, mid-semester grades, and any other accompanying materials. This may result in moving the chapter back to an Academic Warning status.

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board.

**Academic Suspension**

Failure to meet the required minimum 2.7 grade point average for the semester by a chapter or a new member class for the third consecutive semester will result in the chapter being placed on Academic Suspension. The Office of Fraternity and Sorority Life will notify the chapter in writing of the failure to meet the expectations of the Fraternity and Sorority Academic Policy and the placement of the chapter on Academic Probation, which will include the following:

- All social, philanthropic, service, recruitment/intake, and educational programs and events are suspended until after a judicial hearing is held. Such events include, but are not limited to:
  - Intramurals, Greek Week, Fall Block and other step shows, stroll-offs, banquets, Homecoming Tailgate, recruitment/intake/rush

Failure to comply with any of the above conditions will result in the chapter being referred to the governing council Judicial Board in addition to a hearing pertaining to the chapter’s academic suspension status.
MEMBERSHIP VIABILITY POLICY

Philosophy
Virginia Commonwealth University values a strong fraternity and sorority community, but also recognizes that the community must have sufficient numbers to provide membership opportunities for every student who has the desire and means to join.

Standard
Per the policies for Registered Student Organizations, a minimum of five (5) currently enrolled VCU students are required to form and maintain a fraternal organization. This is to ensure that registered fraternities and sororities possess the ability to meet performance expectations and for the continued health of the community.

Process
1. New Membership Acceptance
   a. All Grade Release Forms must be submitted 24 hours after signatures are collected.
   b. All Anti-Hazing Forms must be submitted 48 hours after membership is accepted.

2. Rosters will be reviewed in January and May to determine membership compliance.

3. Chapters that are projected to fall below five (5) full-time, active, undergraduate members (initiates/new members) for the upcoming semester must meet with their FSL advisor no later than two months into the semester to determine an action plan and submit an appeal.

Request for Membership Probationary Period
1. Chapters who project that they will fall below five (5) active members may work with their FSL advisor to outline an action plan to be approved for the following semester.

2. In creating a plan, possible courses of action include, but are not limited to:
   a. Limited programming
   b. Increased advisor involvement
   c. Recruitment and intake plan

3. Without an approved plan, if the chapter falls below the minimum five (5) members, then it will automatically lose university registration.

Loss of Recognition
1. Chapters that fall below the five (5) member requirement will lose University Registration for three (3) semesters.

2. Chapters who would like to return after three (3) semesters, must reapply through the Fraternity and Sorority Life Expansion Process.

Moratoriums
In the event of a(n) (inter)national moratorium not at the fault of the local chapter, Fraternity and Sorority Life will meet with students and advisors to determine next steps.
MEMBERSHIP RECRUITMENT/INTAKE POLICY

In order to lessen the disruption of the University’s academic functions, the Fraternal Organization agrees, as a condition of this handbook, not to engage recruitment or membership intake until the date determined by the University. Councils and chapters will be notified of the determined date by the first week of classes for the academic term. All recruitment and intake paperwork must be completed and approved by the Office of Fraternity and Sorority Life at least 10 business days prior to the process beginning. Please see pages 15 to 25 for council specific recruitment/intake guidelines and procedures.
CPC/IFC MEMBERSHIP RECRUITMENT GUIDELINES, PROCEDURES

The Office of Fraternity and Sorority Life at Virginia Commonwealth University encourages the growth and development of our fraternal community by ensuring a safe and educational environment for membership selection. Each organization conducting recruitment shall keep the Fraternity and Sorority Life Office informed of all recruitment activities each semester. This reporting is mandatory and may be available for review and revision each semester as needed.

Members, new members, alumni and members of the graduate or alumni chapters will be held responsible individually for their actions during the new member process. It is important that everyone understand that their actions may have repercussions on the undergraduate chapters.

The steps and guidelines listed below must be completed each semester in addition to the inter/national organization’s policies and procedures for recruitment. These items are required in order to ensure the safety of all members and aspirants, while preserving the traditions of the organizations.

**Pre-Recruitment/Recruitment and New Member Activity Documentation**

1. Prior to any recruitment activities (formal/council coordinated, continuous recruitment, any recruitment activities or other), and prior to any new member education activities taking place (meetings, retreats, team building activities, or other), all proper documentation needs to be submitted 10 business days prior to any activity.

2. Any national or regional paperwork that needs to be signed by the fraternity & sorority life staff.

3. The [Membership Recruitment Request Form](#) must include the dates, times and locations of recruitment events or interest meetings (formal or informal), the date of the start of the new member process, the anticipated end date of the new member process, and the expected date of initiation. It also must include all required signatures and supporting documentation.
   a) All activities must take place between the hours of 7am to 11pm.
   b) No new member program should extend beyond eight (8) weeks.
   c) Note: When filling out the request form, chapters must provide FSL staff with each virtual platform link in place of the physical location.

4. A recruitment calendar including the times of any recruitment activities with as much information as possible: date, time and location. Dates are not limited to “formal” periods of membership recruitment for chapters who conduct year-round recruitment. Year-round events may be included on a “formal” recruitment calendar or submitted at a later date following the same requirements. The Fraternity & Sorority Life staff must approve activities before they commence. Activities to include on the calendar, if applicable:
   a) Recruitment events/interest meetings and/or informational meetings
   b) Selection date(s)
   c) Extension of Membership
   d) Formal acceptance of Membership
   e) Start date of the new member’s official education/ process
   f) Expected Initiation Date
5. The chapter officer must also supply a copy of the formal/informal event or interest meeting flyer to be approved by the office of fraternity and sorority life. The recruitment paperwork will not be approved without a flyer.
   a) Please note all forms of advertising must be approved through the fraternity and sorority life staff. Please also attach any flyers or copies of promotional items to the form. If students contact the office, we will give out dates of recruitment events or interest meetings.
   b) All flyers must be posted in both the Fraternity and Sorority Life Office and in the University Student Commons.
      1. Note: This will not apply for Fall 2020 due to COVID-19. Social media platforms are a great alternative if members are not comfortable with physically hanging flyers.
   c) All flyers must be posted for a minimum of 7 business days.

6. If the chapter would like to continue with the process, grade checks are required for all potential members or aspirants. Grade checks must be complete before extending an invitation of membership.

7. Within 24 hours of the recruitment event, the chapter must turn in an attendance/grade checklist to the office of fraternity and sorority life. This must include the signatures and student ID (V#) numbers of all attendees. The grade check form can be found here on RamsConnect. Please give the fraternity and sorority life staff three (3) business days to return grade checks.

8. Within 48 hours of being accepted for membership, all new members must complete, sign, and submit the Anti-Hazing Card to the Fraternity and Sorority Life Office. Failure to turn in these cards will result in an immediate cease and desist of all recruitment activities.

Requirements for Recruitment Events Hosted by Chapters
1. All organizations must adhere to the following requirements when conducting recruitment events:
   a) No alcoholic beverages will be permitted.
   b) All National Policies of the organization and governing Council must be met.
   c) Excessive vulgarity and profanity will not be tolerated; neither will language or activities that create an atmosphere of discrimination or intolerance.
   d) No inappropriate or revealing attire.
   e) Any event that poses a threat of danger to individuals who participate will not be allowed.
   f) Any event that would be perceived by a reasonable observer as a membership recruitment event is subject to these rules.

2. Chapters found in violation of these requirements will have their event stopped immediately. Referrals to the chapter’s council judicial board will be made, if necessary.

New Member Education Process

MGC/NPHC MEMBERSHIP INTAKE GUIDELINES, PROCEDURES

The Office of Fraternity and Sorority Life at Virginia Commonwealth University encourages the growth and development of our fraternal community by ensuring a safe and educational environment for membership selection. Each organization conducting intake shall keep the Fraternity and Sorority Life Office informed of all intake activities each semester. This reporting is mandatory and may be available for review and revision each semester as needed.

Members, new members, alumni and members of the graduate or alumni chapters will be held responsible individually for their actions during the new member process. It is important that everyone understand that their actions may have repercussions on the undergraduate chapters.

The steps and guidelines listed below must be completed each semester in addition to the inter/national organization’s policies and procedures for intake. These items are required in order to ensure the safety of all members and aspirants, while preserving the traditions of the organizations.

Pre-Intake / Intake and New Member Activity Documentation

All students and/or guests of a student must be able to provide university officials with identification upon request.

3. Any person under the age of 21 who misrepresents their age to obtain alcohol or any person who supplies or makes alcohol available to someone under 21 has violated Virginia state law and university policy.

4. The possession and/or use of alcohol in University facilities and at University events by those individuals 21 years of age or older, may be subject to additional University regulations and restrictions.

5. For University-Sponsored Events where alcohol is served, students and guests must conduct themselves in accordance with the laws of the Commonwealth of Virginia and assume full responsibility for their activities while sponsoring or attending university-sponsored events where alcohol is served. Note: This applies for students and guests who are 21 years old and above.

6. Any publication, advertisement or announcement of any university sponsored event distributed or intended to be distributed primarily to persons under 21 years of age must not mention or depict alcoholic beverages. Distribution of any publication, advertisement or announcement that mentions or depicts alcoholic beverages must be limited primarily to persons 21 years of age or older and such publication, advertisement or announcement must contain a requirement of proof of age and VCU identification.

7. As a result of any violation of this policy, a student may be referred to an appropriate educational, evaluation or rehabilitation program or offered community service, in lieu of suspension or dismissal. Satisfactory participation in any such program is to be determined by the appropriate university official who may consult with the individual or organization providing the evaluation or rehabilitation program, coordinating the community service, and/or conducting the educational program. Participation in any such program may postpone completion of degree requirements. In addition, convictions for unlawful conduct under local, state, or federal criminal drug laws may result in penalties such as fines, imprisonment, and loss of driver’s license.

8. When students under the age of 21 are found responsible for violating alcoholic beverage and/or controlled substance laws or policies while on campus or at university activities, VCU may notify
their parent or guardian of such violations at the time of the notification, in accordance with the Family Educational Rights and Privacy Act (FERPA).

Other Drugs Policy

1. Illegal possession, use, manufacture, sale, dispensation, or distribution of any controlled substance (including prescription drugs/medication) are prohibited except as expressly permitted by law.

2. Possession of paraphernalia used to consume illegal drugs is not permitted on university property. Paraphernalia includes but is not limited to roach clips, bongs, pipes, blow tubes, bowls, and any type of water pipe or object filled with water through which smoke is drawn.

3. Any student who violates this policy is subject to disciplinary action up to and including termination or expulsion from the university. In addition, to protect the safety of members of the university community, VCU may refer information related to such violations to appropriate law enforcement officials and/or require satisfactory participation in an appropriate evaluation or rehabilitation program.
SEXUAL MISCONDUCT POLICY

1. Chapters will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, which includes any action on or off campus. Sexual Misconduct is prohibited under this policy regardless of the sex, sexual orientation, gender identity or gender expression of the complainant or respondent. The consumption of alcohol or the use of illegal substances does not constitute a mitigating circumstance when it contributes to a violation of this policy.

2. The prohibited conduct addressed by this policy covers various forms of sex/gender discrimination and includes the following specifically defined forms of behavior: Sexual Assault, Sexual Exploitation, Partner or Relationship Violence, Sex or Gender-Based Discrimination, Retaliation and Complicity.

   a. Sexual Assault:
      i. Non-Consensual Sexual Penetration: Any act of vaginal or anal penetration by a person’s penis, finger, other body part or an object, or oral penetration by genitalia, without consent.
      ii. Non-Consensual Sexual Contact: Any sexual touching without consent, other than non-consensual sexual penetration. Examples of non-consensual sexual contact may include: genital-genital or oral-genital contact not involving penetration; contact with breasts, buttocks or genital area, including over clothing; removing the clothing of another person; and kissing.

   b. Sexual Exploitation:
      i. Sexual Exploitation occurs when one person takes non-consensual abusive sexual advantage of another person, whether for their own benefit or the benefit of another person. Examples include but are not limited to:
         1. Recording or photographing private sexual activity and/or a person’s intimate parts, including genitalia, groin, breasts or buttocks, without consent
         2. Disseminating or posting images of private sexual activity and/or a person’s intimate parts, including genitalia, groin, breasts or buttocks, without consent
         3. Sexually-based stalking, hazing and/or bullying
         4. Intentionally exposing another person to a sexually transmitted infection or virus without the other’s knowledge

   c. Partner or Relationship Violence:
      i. Intimate Relationship Violence (also known as dating violence or intimate partner violence): Acts of violence, threat or intimidation that harm or injure a partner in a current or former intimate relationship (defined below). These acts may be physical, emotional/psychological, sexual or economic in nature. Intimate relationship violence can be a single act or pattern of behavior. Intimate Partner Violence includes “dating violence” and “domestic violence.”
      ii. Intimate Relationship Violence (also known as dating violence or intimate partner violence): Acts of violence, threat or intimidation that harm or injure a partner in a current or former intimate relationship (defined below). These acts may be
physical, emotional/psychological, sexual or economic in nature. Intimate relationship violence can be a single act or pattern of behavior. Intimate Partner Violence includes “dating violence” and “domestic violence.”

iii. Stalking in the Context of Intimate Relationships: A course of conduct (i.e., more than one act) directed at a partner that would cause a reasonable person to feel fear, to experience emotional distress or to fear for the safety of a third person. Acts that together constitute stalking may be direct actions or may be communicated by a third party, and can include, but are not limited to: threats of harm to self or others; pursuing or following; non-consensual (unwanted) communication by any means; unwanted gifts; trespassing; and surveillance or other types of observation.

d. Sex or Gender-Based Discrimination:
   i. Sex or gender-based discrimination is adverse treatment of an individual based on sex or gender, rather than individual merit. Sex or gender-based discrimination encompasses sexual misconduct but also includes other discriminatory behavior that does not constitute sexual misconduct. Sex or gender-based discrimination also may include harassment and other abusive behavior, whether verbal or physical, that is based on sex or gender, including actual or perceived gender roles, including seeking sex or sexual favors. Please note: Title IX does not apply to the membership practices of a social fraternity or social sorority if the active membership consists primarily of students in attendance at an institution of higher education and the fraternity or sorority is exempt from taxation under the Internal Revenue Code. 20 U.S.C. §1681(a)(6)(A); 34 C.F.R. § 106.14(a).

e. Retaliation:
   i. Retaliation is any attempt to seek retribution against an individual or group of individuals involved in filing a complaint or report under this policy, filing an external complaint, participating in a disciplinary process or opposing in a reasonable manner an action believed to constitute a violation of this policy. Retaliation can take many forms, including abuse or violence, threats, harassment and intimidation.

f. Complicity:
   i. Complicity is any act taken with the purpose of aiding, facilitating, promoting or encouraging the commission of an act of Prohibited Conduct by another person. Individuals can be charged with complicity in aiding, facilitating, promoting or encouraging others to engage in Prohibited Conduct under this policy.

Prohibited Conduct involving force, duress or inducement of incapacitation, or where the perpetrator has deliberately taken advantage of another person’s state of incapacitation, will be deemed especially egregious and is likely to result in expulsion from the university and/or termination of employment. In most cases, the university will treat attempts to commit Prohibited Conduct as if those attempts had been completed.
HOUSING POLICY

Virginia Commonwealth University does not recognize or provide specific housing for fraternities and sororities on-campus or off-campus. In addition, there are currently no facilities that are sponsored by the organization's headquarters for member usage. Since the university and/or national headquarters have not sponsored these facilities, fraternities and sororities are prohibited from promoting specific housing on or off campus that suggest it is a recognized fraternal dwelling. In the event that a fraternity organization is found promoting a facility, they will be sent to their prospective council’s judicial board as well as the Office of Student Conduct.

Any member or group of members who acquire off-campus housing or a facility together must follow local laws, city ordinances, lease agreements/addendums, etc. These persons are solely responsible for the property and do not have any affiliation with the prospective organization(s) or the Office of Fraternity and Sorority Life.
EXPANSION POLICY AND PROCEDURES

The establishment of any new fraternity/sorority chapter at Virginia Commonwealth University must follow the procedures of the FSL office as well as the appropriate governing council.
AUXILIARY/INTEREST GROUP POLICY

**Interest Group:**
VCU Fraternity and Sorority Life does not support or recognize the creation of interest groups. An interest group is defined as a student-lead movement, with or without the support of national headquarters, petitioning to create a new social fraternity or sorority chapter.
NONCOMPLIANCE POLICY
CHAPTER ACCREDITATION PROGRAM

Each year, the Office of Fraternity and Sorority Life evaluates its fraternity and sorority chapters, to determine the impact that each chapter has on its members, council, the fraternity and sorority community as a whole, as well as the Virginia Commonwealth University (VCU) and Richmond community. In the past, this program was formalized into a process that was known as “Shared Standards.” To complete the Shared Standards program, chapters submitted information every spring outlining what their chapter had accomplished for the academic year, through a binder. Based on a review of the chapter’s binder, the chapter would be awarded a standing: gold, silver, or bronze. This year, we will begin a new “Chapter Accreditation” program. This program will be tailored to each chapter’s individual needs and will allow for conversation surrounding the chapter’s contributions, or failures over the past year.

The purpose of this program is to better understand if a chapter is an asset, or a hindrance to the Fraternity and Sorority, VCU, and greater Richmond community. A recommendation will be made as to the chapter’s standing, based on what the Accreditation Committee feels is appropriate. In addition to re-evaluating each chapter’s standing within the community, this process will allow chapter’s to be nominated for Fraternity and Sorority Life Awards.

Accreditation Committee
The Committee will be a group of twenty VCU faculty and staff members, brought together with a fraternity and sorority background. There will be 3-4 Committee members in each chapter presentation. In addition to taking notes and determining a chapter’s Accreditation standing, the Committees will be nominating chapters for Greek Awards, based on what is presented to them.

Submission Materials
There will be certain information that will need to be submitted ahead of time – such as chapter service hours, chapter philanthropy money raised, and chapter grade point average. This will be a minimal amount of information, compared to the entire presentation. Additional materials will be provided through the chapter’s respective Council and the Office of Fraternity and Sorority Life, including chapter GPA and any judicial incidents that the chapter may have had. The chapter may ask to see any information ahead of time that will be submitted on their behalf.

Additional documentation that should be included:
1. Headquarters Compliance
   1. Letter from Headquarters of good financial standing
   2. Letter from Headquarters of good standing
2. Chapter Service Events:
   1. Name of Events
   2. Members who participated
   3. Hours of service given for each event
   4. Letter from community partners who benefited from service
3. Chapter Philanthropy Events:
   1. Name of Events
   2. Members who participated
   3. Amount of money raised
4. Letter from community partners who benefited from philanthropy

4. Chapter Programming:
   1. Name of Events
   2. Members who participated
   3. Value of Event (educational, risk management, sister/brotherhood, etc.)
   4. Were the events open to community members outside of FSL?
   5. Were the events collaborative with another chapter, council, or student organization?

5. Leadership
   1. Letter from Advisor with suggestion for chapter standing
   2. Information about any leadership academies attended (date, location, who attended, etc.)
   3. Number of chapter members who hold leadership positions or are involved in other organizations on campus (name, organization, position held).

Below are some ideas for some of the things that you can showcase throughout your Accreditation review. These are also good goals for you, in planning your chapter calendar. Please see “Submission Materials” for further information on how to correctly document these programs for Accreditation.

**Programming Ideas:**

- Hosting one program highlighting a controversial issue (one that has multiple points)
- Hosting educational programs
- Hosting philanthropic programs
- Hosting a Wellness or Safety Program
- Hosting a program on Academic Success for members
- Hosting a program on Career Development

**Partnership & Collaboration Ideas:**

- Programming with chapters outside of your council (NPHC, IFC, MGC, CPC)
- Partnering with a non-Greek organization to host an event
- Partnering with an Office on campus outside of FSL to host an event
- Partnering with an organization within the Richmond community

**Leadership Ideas:**

- Annual leadership training with headquarters
- Attending conferences, Lunch & Lead Series, etc.
- Executive Board Retreat
- Percentage of chapter members involved in something outside of membership in the chapter
- Having an active presence within your respective Council
- Holding leadership positions within your respective Council
**Office Partnership Ideas:**

- Chapter attendance at all FSL mandated programs
- Regularly scheduled meetings with FSL advisor
- Turning in all office documentation on time

**Presentation**

The chapter will be given times and dates to sign-up to present to the Accreditation Committee. The chapter representatives should include the current chapter president along with anyone else the chapter deems necessary. The chapter advisor may be present at the meeting, but may not speak during the presentation. The chapter leadership will have a maximum of 20 minutes to speak on the chapter’s behalf, to help the Committee better understand why the chapter is an asset to the VCU community. The representatives will engage in dialogue with the Accreditation committee, who will be provided with any documentation that the chapter has submitted on its behalf. The Accreditation committee will have access to the materials submitted ahead of time, as well as materials submitted by the respective Council and Office of Fraternity and Sorority Affairs.

**Presentation Prompts:** It is highly recommended that the chapter representatives pick two of the following prompts to touch-upon during the Accreditation presentation (Adopted from Drexel University, Fraternity & Sorority Life, Chapter Achievement Plan):

1. **Improvement:** Discuss the current strengths and weaknesses of your chapter, areas in which you have improved over the past year, or challenges you have faced this year. Share specific examples of how you worked to address weaknesses or challenges.

2. **Innovation:** Describe any new ideas or programing your organization has implemented this year. How has this new initiative impacted your organization?

3. **Collaboration:** Describe the collaborative efforts your organization has made in the past year (ex. Other fraternities/sororities, councils, student organizations, university offices, chapters at other campuses, community partners, etc.). What worked? What would you do differently next year?

4. **Accountability/Bystander Intervention:** Discuss what your organization has done this year to ensure members are aware of, and held accountable to, their responsibilities as a member of your chapter. How have you worked to install the notion of “be your brother/sister’s keeper” in your organization?

5. **Relevance:** Explain how your organization contributed to the University’s strategic initiatives over the last year. The University strategic plan (Quest for Distinction) can be found at: [http://www.quest.vcu.edu/](http://www.quest.vcu.edu/)

**Chapter Standings**

Based on the presentation and materials, the committee will be recommending the following chapter standings:

1. **Excellent Standing:** Chapters who meet an excellent standing have gone above and beyond in giving back to the community. These chapters have had little to no issues throughout the year and
their members are striving for fraternal excellence, as shown through their actions. These chapters have above the average chapter GPA and are committed to membership development. These chapters have at least 50% membership involvement in other leadership positions on campus and are in good financial standing with their council and headquarters.

2. **Good Standing:** Chapters who achieve a good standing are an asset to the community. They are accomplishing their goals as a chapter, as well as giving back to the campus. These chapters are improving yearly and have a positive presence on campus. They have some things to work on, but strive to provide their members with a positive fraternal experience.

2. **Fair Standing:** Chapters who achieve a fair standing are not contributing to the fraternity and sorority community, but are not specifically viewed as a hindrance. These chapters are meeting the bare minimum expectations within their councils and are providing little to no programming, community service, and/or membership development opportunities for chapter members. It is highly encouraged that chapters with this standing meet with the FSL staff to gain an understanding and the support needed to grow and excel as a chapter.

3. **Poor Standing:** Chapters who earn a poor standing are seen as a potential hindrance to the community. These chapters are not giving back – whether through programing, involvement within their council, or overall presence on campus. These chapters are not providing their members with membership development and might not be in good standing with their headquarters. Chapters meeting this standing will need to meet with the FSL staff to determine appropriate steps, moving forward. Some consequences of achieving a poor standing might include, but not limited to: social probation, limited number of programs hosted per semester, membership achievement program, etc.

4. **Suggestion of Removal:** Chapters who are suggested for removal are chapters who are potentially detrimental to the fraternity, sorority, and VCU community. These chapters have potentially broken University or headquarter policy on a number of instances and do not seem to understand the ramifications for their actions. These chapters are not providing a well-rounded, positive experience for their members and are not good representatives of the fraternity and sorority community. These chapters are not able to articulate the benefits of membership in their organization. Any chapter on this status will be referred to their respective council president, the Assistant Director of Fraternity and Sorority Life, as well as the Director of University Student Commons and Activities for further review on their status as a recognized fraternity or sorority chapter.

**Award Nominations:**
In addition to recommending chapter standings, the Accreditation Board will recommend chapters to be considered for the following Fraternity and Sorority Life Awards, based on the Accreditation presentations that they review:

1. **Diversity & Global Engagement Award:** Awarded to a chapter who supports and/or implements programming centered on diversity awareness and global experiences in the VCU community.
2. *Academic Support Award*: Awarded to a chapter who implements programming that supports academic improvement and GPA maintenance for its members. Chapter GPA may be taken into account; however, substantial chapter improvement, strong academic plans, and other factors will also be considered.

3. *Outstanding Philanthropy Award*: Awarded to the chapter who displays creativity, programing strength, and connection to the philanthropic cause in planning and executing their chapter philanthropy event. Philanthropic donations (measured by dollars per member) will also be taken into account.

4. *Outstanding Community Service Award*: Given to the chapter with the highest number of hours per member (average) for community service efforts during the 2014-2015 Academic Year. Information or feedback on community impact on behalf of the partnering community organization will also be taken into account.

5. *Greek Collaboration Award*: This award is designed to recognize chapters that have collaborated with one or more fraternities or sororities to accomplish a stated goal or program. Multiple awards could be presented to multiple chapters within the FSL Community, or the award may be given to one event that involves numerous chapters.

This form is due in addition to the social event registration form, at least 7 business days in advance of the social function.

Your chapter will be in compliance with your inter/national policies if you hire a “third party vendor” to serve alcohol at your functions when you can document the following checklist items. Be sure to check with your Inter/National organization to make sure this checklist will be in compliance with your Inter/National Risk Management policy. Further, each chapter is expected to adhere to the laws of the Commonwealth of Virginia, Virginia Alcohol Beverage Control, City of Richmond, and Virginia Commonwealth University as they pertain to the consumption of alcohol and other substances as well as building and fire safety codes.

**THE VENDOR MUST:**

1. Be properly licensed by the appropriate local and state authority. They might involve both a liquor license and a temporary license to sell on the premises where the function is to be held.

   **ATTACH COPIES OF STATE AND LOCAL LICENSES TO THIS CHECKLIST.**

2. Be properly insured with a minimum of $1,000,000 of general liability insurance, evidenced by a properly completed certificate of insurance prepared by the insurance provider.

   The above “certificate of insurance” must also show evidence that the vendor has, as part of their coverage, “off premise liquor liability coverage and non-owned and hired auto coverage.”

   The certificate of insurance must name as additional insured (at a minimum) the local chapter of the fraternity hiring the vendor as well as the national fraternity with whom the local chapter is affiliated.

   **ATTACH A COPY OF THE CERTIFICATE OF INSURANCE AND HIGHLIGHT REQUIRED CLAUSES**

3. Agree in writing to cash sales only, collected by the vendor, during the function. (If Third Party Vendor Program Agreement is filled out properly, then requirements #3 and #4 will have been fulfilled.)

4. Agree in writing all the responsibilities that any other purveyor of alcoholic beverages would assume in the normal course of business, including but not limited to:
   a) Checking identification cards upon entry;
   b) Not serving minors;
   c) Not serving individuals whom appear to be intoxicated;
   d) Maintaining absolute control of ALL alcoholic containers present;
   e) Collecting all remaining alcohol at the end of a function (no excess alcohol, opened or unopened, is to be given, sold, or furnished to the chapter)
   f) Removing alcohol from premises
ATTACH A WRITTEN AGREEMENT SIGNED AND DATED BY THE CHAPTER PRESIDENT AND THE VENDOR STIMULATING AGREEMENT TO THE ITEMS REQUIRED IN #3 AND #4 ABOVE.

This checklist must also be signed and dated by both the chapter president and the vendor. In doing so, both parties understand that only through compliance with these stipulations will the chapter be in compliance with their risk management policy.
